

# CoVAA Timepoint-based Video Annotation and Interactive Chat Board

The screenshot displays the CoVAA (Collaborative Video Annotation & Analytics) interface. At the top, the navigation bar includes 'Watch Videos', 'Survey', 'Upload', 'Teacher Dashboard', 'Learning Dashboard', and 'Logout'. The main content area is divided into several sections:

- Header:** Subject: AHS-SS2017, Class: SS-3K, Video: "Calling Singapore Home" + "I like living in S'pore because... "National Day Rally 2009"
- Video Player:** A video player showing a woman in a pink shirt standing in front of a city skyline. The video title is "Calling Singapore Home" + "I like living in S'pore because...". The player shows a progress bar at 0:07 / 13:25.
- Annotation Editor (Ms Noriff):** A panel on the right for editing annotations. It includes a time selector (00:03:48), a "Teacher's Question:" field with a dropdown menu (1, 2, 3, 4, None), "Discussion Frames:" (I THINK that..., I think so BECAUSE..., I AGREE..., I DISAGREE..., I need to ASK...), a "Description:" field with the text "Why is it necessary for the government to increase population in Singapore?", and buttons for "Play", "Update", and "Close".
- Timeline:** A horizontal timeline below the video player showing the annotation's position. It includes a "Trends" section with a search bar and filters for "by content", "author", and "tag".
- Footer:** A notice at the bottom states: "Please run CoVAA in Chrome or Safari. CoVAA is not compatible with IE."
